Sub: Request for recognition of hospital/diagnostic laboratory for the medical treatment of ICAR-CIBA-Chennai / ICAR-MRC of CMFRI Chennai, employees under Central Services (Medical Attendance) Rules - reg.

Sir,

We would like to invite your kind attention to our earlier request made for recognition of your esteemed hospital/diagnostic laboratory for the medical treatment of CIBA/MRC of CMFRI/ICAR employees and pensioners. We are extremely thankful for your kind response and support for extending your medical facilities to avail treatment of our Institute employees and pensioners under CGHS.

In this regard, we would like to inform that we have processed your application under Indian Council of Agricultural Research (ICAR), Ministry of Agriculture & Farmers Welfare, New Delhi for taking up treatment of our Institute employees and pensioners at your hospital/diagnostic laboratory. As your hospital/diagnostic centre is already recognized under CGHS panel, we request you to enlist Central Institute of Brackishwater Aquaculture and Madras Research Centre of Central Marine Fisheries Research, in line with the CHGS panel. We have a strength of about 1000 members located in one campus at 75, Santhome High Road, R.A.Puram, Chennai - 28. The employees/pensioners are of different grade pay categories starting from Rs.1900/- to Rs.10000/-, drawing total salaries of Rs.25,000/- to 2,25,000/-. We would very much appreciate for the formal enrolling of CIBA-Chennai and MRC-CMFRI, Chennai at your hospital/diagnostic centre for seeking the medical treatment. This would help the employees and pensioners of the Institutes to avail the medical benefits when necessary under CGHS.

Looking forward for your valuable support.

With warm regards,

Yours faithfully,
